“These Days”

Devotional Books

Did you know that Zion every quarter receives “These Days” devotional booklets? The devotionals offer each day a spiritual reading along with a short scripture and prayer. These are free and can be found in the literature rack in the upper commons or if you would like one mailed to you please contact the church office. The booklet is a wonderful resource to use in your daily Christian life.

- If you have items to donate that you need to have picked up, please call Brad or Jane ASAP so we can schedule a time to pick up.
- **NO DROP OFFS ON THURSDAY – WE ARE CLOSED! THIS IS NOT A SALE DAY!**

If you are planning on working during the week or the day(s) of the sale (or are interested in helping), we will be having a meeting for all volunteers on Monday, July 15, at 9 a.m. in the lower commons. Please plan on attending this meeting so we can make sure all areas are covered and everyone is on the same page. Thank you for your continued support.

- Brad Parker and Jane Wilson

Zion Fellowship – July 2024

On Saturday, June 8, we had 16 people attend the Murder Mystery and Dinner at St. Paul UCC in Marthasville. A delicious dinner was served at 5:15. We had a choice of steak or chicken, along with sides, and a variety of desserts to choose from. Several attendees were chosen to participate in the Mystery part of the evening. The best actress award was our own Sue Leicht, and Susan Merlino figured out who the murderer was. There was also a silent auction. Everyone had a great time.

Sunday, July 21 – We will attend the play at the ECC Theater of “You’re a Good Man Charlie Brown”. You will need to make your own reservations for the 2 p.m. performance. Tickets can be purchased at ecctheatre.com, or call ECC

at 636-584-6720. After the performance, we will have dinner at the Pasta House in Union. There is a signup sheet on the bulletin board in the lower commons. If you want to join us for dinner only, please sign up also. Any questions, call Jane Ridder at 314-520-7090, or email carljane64@gmail.com.

August – No activity

September – Check the bulletin board for a September Brunch date.

Check the monthly Newsletters, also the weekly Bulletins, for any change of event dates/times that might occur. **Anyone** is welcome to join us for these events. If you have any questions, please contact Fern Dewert (President), Carl or Jane Ridder (Vice Presidents), Ruth Parker or Bruce Templer (Treasurers), or myself.

Beloved Zion,

Grace and peace to you from God our creator, Christ our Redeemer, and Spirit our Sustainer. You might have noticed little electronic price tags at stores like Schnuck's or Aldi. Soon these little price tags will be everywhere. Alongside autonomous stock robots, these little price tags are a new technological jump in a grocer's playbook. In an instant, prices can change, updates can be made, online and in-store prices can synchronize, and links to additional information can provide and increase customer satisfaction through consistency and transparency.

Technology is often natural. Neither good nor bad. What tips the scale, is how the technology is applied. With these new electronic price tags, there is a concern over surge pricing. Since prices can change instantly, and with algorithms and artificial intelligence getting more advanced, peak times could drive up prices. Imagine ice cream and water instantly going up in price when the temperature outside rises above 90 degrees. Or it could raise all prices during certain times of the day, or days of the year. Would you notice if every item was 15 cents more expensive the day before Thanksgiving? Maybe, maybe not.

In the life of the church, new technologies invite innovation and change. And I do not simply mean electronic technologies. Technology in its most basic understanding, is an application of particular knowledge to achieve practical and reproducible goals. At church, while technologies do include things like recording our services and uploading them to a website, it also means things like food pantries, VBS, and Called to Care. These all are direct applications of particular knowledge that help us achieve a desired outcome. The faithful question we must ask when faced with new technologies is not whether or not we will adopt them. The faithful question is why and to what end? There are plenty of programs and concepts that will help churches. There are so many great ideas that have created wonderful missions and ministry in their community.

But we must be careful. We might be tempted by a great idea and decide that we should do it here. But why are we doing it? To look good? To gain more members? Because the neighbors do something similar? Because it might help our community? These all might be great motivators, but at the end of the day, is it what God is calling us to do in this time and place? Rev. Howard Thurman once said, "Don't ask what the world needs. Ask what makes you come alive, and go do it. Because what the world needs is people who have come alive." So, church, what makes you come alive? What makes us come alive?

Blessings,
Rev. Nicholas Knoblauch

Our Church's Wider Mission

Sharing is an essential part of what God calls us to do as the people of God's Church. We are called to share our joys and concerns. We are called to share our time and talents. The church was founded with sharing at its core.

In the United Church of Christ, one of the ways we are invited to share is through our offerings to **Our Church's Wider Mission (OCWM)**. OCWM is the way that the United Church of Christ helps distribute services, resources, and expertise to all within our faith community who have need.

The Financial support our church shares, through OCWM, gives us the opportunity to have a common funding source that helps us all to do those things that we could not do as effectively by ourselves. OCWM helps OUR church BE the Church.

Chicago, United, Eden Seminaries Support (CUE)

The Mission of Chicago, United & Eden Seminaries is to:

- strengthen the relationship between our churches and our seminaries
- further the mission and work of these seminaries
- provide financial support for our seminaries.

We live in challenging times and we recognize the vital impact of our seminaries as they:

- prepare leaders for church and society
- increase theological thought and scholarship
- provide multiple resources to the local churches.

The CUE Regional Seminary Support Program brings together over 2,000 United Church of Christ churches in mid-America, local church ministries and the seminaries of Chicago, United, and Eden.

If you would like to give a monetary donation to CUE, please make your checks payable to Zion UCC and in the memo portion indicate "CUE". Thank you!

Notes from the Music Director

Anyone who has known me for a while knows I love drum circles. To me, there is just a feeling of release in playing hand drums and an inner peace.

Just how were drums used in the Bible?

According to the book **Musical Instruments of the Bible** by Jeremy Montagu, the first mention of anything similar to a drum is in Genesis 31:27, Laban is scolding Jacob for leaving with his daughters without telling him. Depending on the version, Laban says he could have celebrated with tambourine, timbrel, or tabret. These all mean “small drum”, like a frame drum. According to the book, the tambourine wouldn’t be like the tambourines with which we’re familiar, but would be more like a snare drum, with a strand or two of gut running underneath the underside. In Exodus, Miriam uses a timbrel in celebration of crossing the Sea. King David might have possibly used a drum that was made from ram’s skin, with other parts used for other instruments. Psalm 81:2 says “...bring hither the timbrel...” (or “..strike the drum” in the Common English Bible). Isaiah 5:12 translates to tambourines, drums, or timbrels (although they used it for a wild party!).

This QR code leads to a website that shows ancient terra cotta figurines that probably date back to 7th or 8th century BCE, representing female figures playing a hand drum.

Zion Musical Notes:

Zion’s Chancel Choir will resume rehearsals on August 28 at 7:30 p.m. in the chapel. Previous to that, we would like to invite anyone who wants to join us at 6:30 for a hymn sing, with refreshments at 7:00! Feel free to stay for our short rehearsal at 7:30 to see if choir is a good fit for you.

SHINE like stars

Why do stars appear to twinkle? Try this experiment to find out!

What you need:

- Aluminum foil
- Large glass bowl
- Water
- Flashlight

What you do:

1. Crumple the foil into a ball. Carefully unfold it and lay it flat on the ground.
2. Fill the bowl with water and place it on the foil.
3. Turn off the lights and make the room as dark as possible. Shine the flashlight about 1 foot from the water’s undisturbed surface. Light will reflect onto the foil.
4. Then tap your finger on the water’s surface. As the water moves, what happens to the light on the foil?
5. This flickering simulates scintillation, which happens when starlight enters Earth’s atmosphere. As light passes through layers of gas and water, it refracts and appears to twinkle.
